

Work Experience

Sep 2001 - Jun 2008	Times Printing	Random Lake, WI
Youth Apprentice, part time summer work		
For two years I have had a printing apprenticeship with Times Printing. I worked in all the company's departments and learned how they all work together to arrive at a final product. This led to a job offer where I worked in the summer and during breaks.		
jun 2008 - sep 2008	Autumnglo Pet Lodge	Fredonia, WI
